Vũ hội trong tù

Người dịch: TRONG DÝ

1. Ờ, tụi bay! Nghe nè! Tối nay có Vũ hội thường niên trong tù đó!

2. Vậy hả? Hồi trước tao luôn khoái mấy chuyện đó!

3. Thi đây cũng vậy! Nhưng tụi mình đâu còn ở trong tù! Vậy nhắc tới làm gì?

1. Hey, boys! Listen to this! Tonight's the annual Prison Ball! 2. Yeah? I always enjoyed that! 3. Same here! But we ain't in prison! So why tell us? 4. PRISON NEWS

5. Theo tao đã tới lúc tụi mình vô tù lại rồi! Càng sớm càng tốt! Tốt hơn cả ngay lập tức!

6. Hả!!?

7. Hà, hãy xem xét giải pháp này đi! Biết bao lâu rồi tụi mình chưa được ăn một bữa ngon! Và tụi mình cũng sắp sửa quên luôn cái cảm giác chân ấm nệm êm là sao nữa!

5. I'm thinking it's time we were in prison again! As soon as possible! Preferably right away! 6. Eh!!? 7. Well, look at the alternative! It's been ages since we had a decent meal! And we've almost forgotten what a warm bed feels like!

8. Ờ, đúng! Tao biết mày muốn nói gì rồi! Nhà tù cũng không phải là lắm nếu so với sống củ bơ củ bắt!

9. Ăn uống hồng tớn tiền nè! Giường nằm nè! Máy sưởi ấm nè! Đó là còn chưa kể tới chuyện họ luôn luôn thết chúng ta món bánh dâu tây thượng hạng ở buổi Vũ hội trong tù nữa!

10. Đồng ý rồi phải không? Sẵn sàng bị bắt hé?

11. Ngay tức khắc! Nếu không sớm hơn được!

8. Hey, yeah! I see what you're getting at! Compared to being down and out, prison ain't such a bad place! 9. Free food! A bed! And central heating! Not to mention that luscious strawberry cake they always serve at the Prison Ball! 10. Agreed then? We get ourselves nicked? 11. At once! If not sooner!

12.

12. Ngay sau đó...

13. Hê hê! Sẵn dịp đùa chút chơi! Đây cũng là một sự trả thù ngọt ngào!

14. Hô hô hô! Bọn cớm bắt mình vậy là đủ rồi! Để thay đổi không khí tụi mình bắt một tên xem sao! Bắt bằng lưới!

15. Một lúc sau...

16. Tốt! Con mồi của tụi mình kia!

17. Ôi chà! Tao nóng lòng muốn thấy ngay vẻ mặt của nó!

12. Soon — 13. Heh, heh! Might as well have a little fun in the process! It'll be sweet revenge, too! 14. Ho! Ho! Ho! The cops have caught us often enough! So we'll catch one of them for a change! In a net! 15. Moments later — 16. Okay! There's our guy! 17. Oh, bay! I can't wait to see the look on his face!

18. Ôôô!! Mày là con cá của tụi tao bữa nay rồi con ơi! Tụi tao tới để bắt mày đây!

19. Ê! Cái gì vậy... !!?

20. Dính châu!

21. Hê hê hê!

18. Coo-ee!! You're our fish for the day!! We're coming to get you! 19. Hey!! What the...!!? 20. Gotcha!! 21. Heh! Heh! Heh!

22. Ôi trời ơi! Cớm bị tóm! Thiệt là mắc cỡ quá đi!

23. Xin chào, ông Cảnh sát! Trông ông đúng là một thằng dần!

24. Thả tao ra!! Ngay lập tức!!

22. Oh, my word! The copper's been copped! Ain't that a shame! 23. Howdy, Mr. Policeman! You do look a nitwit! 24. Let me out!! This minute!!

25. Coi nó kia! Một thằng đại ngốc! Một thằng ngu thứ thiệt! Tao hỏi đây có phải là kết quả cuối cùng của sự huấn luyện mà nó được học hay không?

Thả tao ra!! Ngay lập tức!! Tụi bay không hiểu gì hết!

27. Một lúc sau...

28. Được! Mày ra rồi đó! Tốt hơn là nên bắt bọn tao đi!

29. Tao đâu có muốn bắt tụi bay, đồ ngu!

25. Just look at him! What a prize chump! A proper charlie! Is this the net result, I ask, of all his training? 26. Release me!! This minute!! You don't understand! 27. Moments later — 28. Okay! Out you come! Better arrest us! 29. I don't want to arrest you, you dumbos!!

30. Eh! Wh-what did you say? 31. You're free to go! I'm not arresting you! 32. Oh, yes, you are!! 33. Aaahhh!!

34. You hear us!!? You arrest us or... or... 35. I can't arrest you, you wallies!! I'm not a... 36. Ha-hah!! Reinforcements!! That's what you were doing, eh? Playing for time? 37. Prison Ball, here we come!

39. Hi, boys! Look! We even stole his bag! And that's serious! Nicking a copper's possessions!! 40. SCRIICCCHHH! 41. IT'S HUH!!? 42. Well done, boys!

43. Congratulations on your quick thinking! We'd never have caught him, but for you! 44. This cookie's been running around, impersonating a police office, for weeks! 45. Eh!!? B-but...

46. N-no! It-it's not fair! Th-that guy'll be getting succulent strawberry cake tonight! 47. And-and a warm bed! 48. S-sometimes there just ain't no justice!

49. Well, what now? Any more bright ideas for getting ourselves nicked? 50. Yeah! We'll take this taxi to jail, refuse to pay the fare when we get there... and we're in! 51. Taxi!!

52. No way! You look too down and out to afford a bus fare, let alone a cab! 53. SPLAAAASSH! 54. GRR! Now we're down and out and damp! 55. Wait! There's the answer!

56. Huh? A cake shop? Don't you ever stop thinking of food? 57. Not often! So why shouldn't we be arrested for stealing some? 58. Hey, good thinking! We get a snack while we're waiting to be nicked this way!

60. Okay! Let's feed our faces! 61. Come on! Make it quick! 62. Yeah! Sure! Keep your hair on! 63. I wasn't talking to you!

64. Oh, boy! Oh, boy! Ain't these tasty!!? 65. Yipee!! Jahoo!! 66. Hey!! Stop!! What you think you doing!!? 67. Hey!! Hurry!! Give me my cake!

68. B-but look at them! 69. None of my business! Get me my cake!! 70. Hurry!! 71. S-sure

72. We're in luck, boys! Look! Fuzz!! 73. No!! No!! We refuse! 74. We never pay! We're criminals!

75. What's going on here? 76. Give it to me! Now!! 77. This all looks pretty suspicious to me! 78. Oh, it is, Officer! Look! Now I'm stealing his cake, too!

79. Leave it alone!! Punk!! I'll... 80. Say! I know you, don't I? 81. Next second — 82. Huh!!? 83. CLUNK!

84. Don't move! I recognise you now Happy Luckiano! One of Al Caffeine's mobsters! 85. And Caffeine's in prison, ain't he? So this file was meant for him! 86. You're both under arrest! 87. Hey!! We were first!

88. Moments later — 89. You sure were, boys! You spotted him first! Quick thinking! 90. You're obviously becoming honest, law-abiding citizens these days! We'll make a note of it! 91. UUUUUUUUU!!

92. Shortly — 93. Well, that does it! It's time to stop messin' about! If we're gonna get into prison, we've got to do something big! 94. And I know just what!!! 95. We'll end up in jail this time!! No doubt about that!!

96. Brilliant, eh? We break into prison! 97. Oh, boy! I can almost smell the roast beef! 98. And, after that, the strawberry cake!

99. Hey!! They'll knock down the wall!! 100. I'll sound the alarm! 101. Da-da-di-dum!! Ain't this fun!!? Prison hospitality, here we come!!

102. But — 103. Huh!!? We-we're tilting over! 104. We're sinking!!

105. Oh, blimey! W-we've foiled a prison break! 106. Grrr!! Narks!! Creeps!! 107. Oh-oh! W-we ain't popular! 108. ViiiiiiiiNNNN!! 109. Moments later — 110. Er... looks like you're here a little longer, boys! 111. OWFF! OWFF! 11. Well done, boys! You've just prevented the biggest prison break of all time! 113. SIGH!!

114. Turncoats! Traitors! You're supposed to be members of the criminal class! How could you do this to us!!? 115. The Beagle Boys are reformed characters! This is the third act of villainy they've thwarted today! You should follow their example!

116. Now, boys... a reward has to be discussed! Anything special you can think of? Yes!! We wanna go to the annual Prison Ball!! 118. Eh? Not money? Not a new car? 119. No!! All we want is to go to the Prison Ball! And we'd also like a bed for the night!!

120. Later — 121. Hiya, guys! Ain't missed anything, have we? 122. In plenty of time for the strawberry cake, are we? 123. Huh!!? 124. ANNUAL PRISON BALL

125. So!! You wanna slap-up meal, huh? 126. Then have one!! 127. NARKS!! GRASSES! CREEPS!! CRUMBS!! 128. YIIIIHHH!!

129. You're expelled from the criminal class!! Never darken our dives again!! 130. Help!! Take us to a cell!! Quickly!! Please!! 131. BOOOOOO!! 132. Well, I suppose we got our cake after all! But I'd expected it on a plate, not on me! 133. Afraid there's a little problem, boys!

134. Here's your cell! But I'm sorry to say the central heating's just failed! So you might be a bit chilly! 135. And there's no bedding! We've so many prisoners at present, there's none to spare! 136. Uuuuhh! Wh-why did we ever think of this in the first place?

6. ... gettin' the tire I needed!

1. Well, there he goes again!

2. During the past week, Pop has sneaked out of the house every night!

3. And when he returns at dawn, he acts as if he hadn't been away at all!

4. I'd better follow him and see what he's

up to!

5. What the —?!

6. THUMP

7. Li'l Wolf! What are you doing running around at this late hour?
8. Farmer Bear!
9. I was just following my pop! He's been acting mighty strange lately, sneaking around and staying out all night!
10. >Sigh!< He's already out of sight!
11. Well, your pop has been known to do some mighty peculiar things, and

not all of them exactly legal either! Now that I'm a deputy sheriff, I'd better look into it myself!
12. For all we know, he might be robbing banks or something!
13. Next morning —
14. Why so glum, Li'l Wolf?
15. GLOOM!
16. Farmer Bear thinks my pop has become a-a bank robber!

17. Hm... that explains the book I saw him buy last week!
18. Poor, poor you!
19. It was called "Much Too Expensive Hunting Equipment That No One Can Possibly Afford!" I wasn't worried because Zeke never has any money, but now that he's a criminal..
20. Sorry Li'l Wolf! We'll have to stop your pop before he catches us!

21. That night, Zeke's departure doesn't go unnoticed —
 22. I'll follow his every move, and if he as much as thinks unlawful thoughts...
 23. ...I'll see that justice is bountifully served!!
 24. YOW!
 25. SPROING!

26. Grr! Just wait until I find out who's responsible for this cowardly attack on an officer of the law!
 27. Farmer Bear!
 28. Don't worry, Farmer Bear, we'll get you down right away! This trap was meant for the Big Bad Wolf!
 29. ?

30. We heard that he's robbing banks so that he can afford to buy the world's best trap and catch us in it!
 31. THUD!
 32. Well blow me down! You know more than I do! This is serious!
 33. Looks like we'll need evidence if we really want to catch him! Maybe if we search his house for the money...

34. And so —

35. Sorry about all this, Li'l Wolf, but official business you know...

36. Farmer Bear! I found his purse! It as cleverly hidden on top of the bedroom table!

37. Six dollars and 28 cents! This is important evidence! Now hide everyone — we'll wait for him to come home!

38. This is ridiculous!

39. Hush, Li'l Wolf...

40. ...I think I hear him coming now!

41. Grab him!!!

42. ?

43. A HORRIBLE BROUHAHA!!!

44. What are you doing?!

45. Don't play games with me, Zeke Wolf!

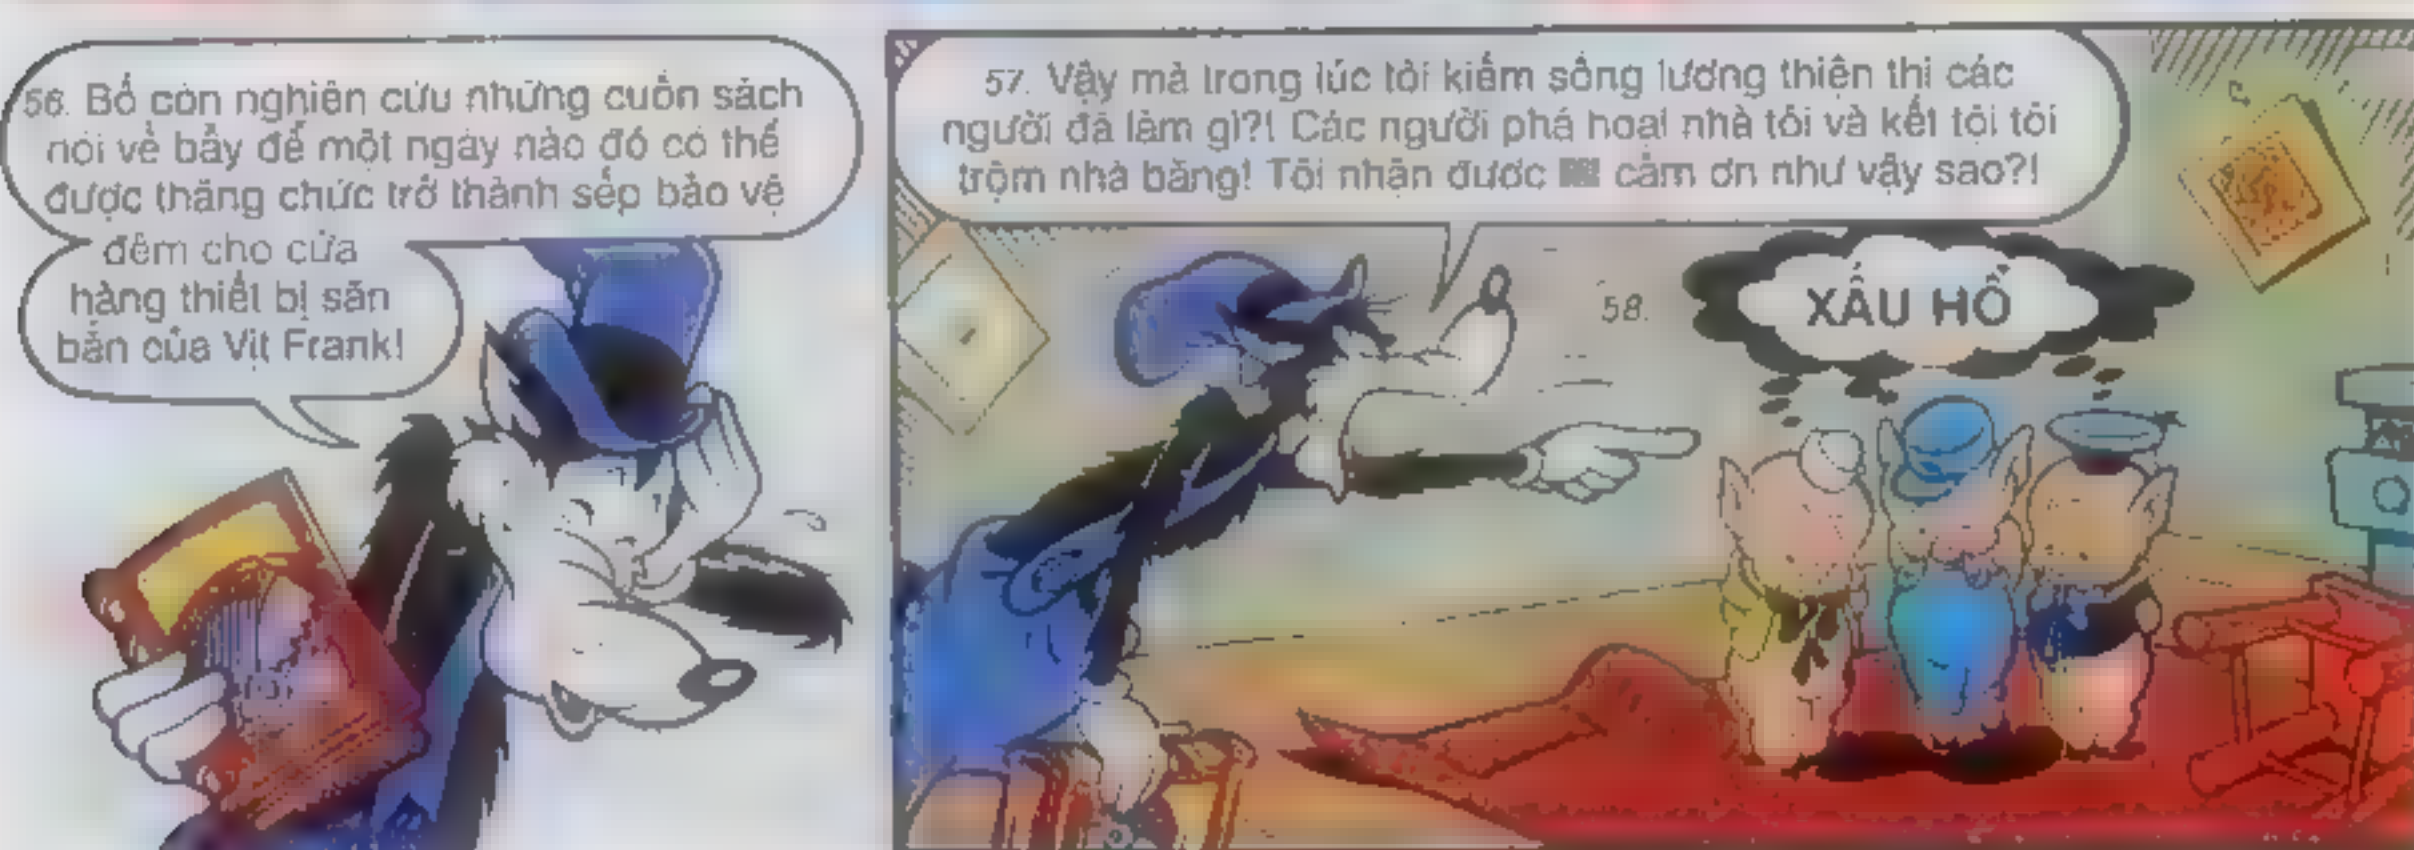

Just tell us about your nightly adventures!

46. But... I-I can't!

47. Well, we already know you're robbing banks so that you can buy an expensive trap to catch us!

48. Oh, that's a lot of hooey! You see... well... I have a job!

49. A JOB?!!

50. Yes, a job! I'm not proud of it, but I'm tired of eating beans all the time!

51. A job?

52. ZEKE WOLF ASSISTANT NIGHTWATCHMAN

53. FRANK DUCK'S TRAPS & ASSORTED HUNTING EQUIPMENT

54. You're an assistant nightwatchman?

55. Yes! I decided to reform my ways! I've tried so hard, and it hasn't been easy!

56. I even read about traps so that

maybe someday I'll be promoted chief nightwatchman at Frank Duck's hunting equipment store!

57. And while I earn an honest living, what do you do? You wreck my house and accuse me of bank robbing! Is this the thanks I get?!

58. SHAME

59. We-we're sorry...

60. Oh, now you're sorry! Well I'm leaving, and if, someday, I feel like accepting your

apology, I just might come back!

61. The neighbourhoods Al Capone has got a job?

62. We're going home now, Li'l Wolf! We're terribly sorry about the trouble we caused!

63. It seems we couldn't have been more wrong about Zeke! I wish there was something we could do to make amends!

64. Oh, I've thought of something!

65. CLANK!

(*) Al Capone: một tên cướp khét tiếng ở Mỹ (1899 - 1947)

It worked like a dream! That cage is a true work of art!

67. Zeke Wolf! We should have known! You never did have a job, did you?

Why, of course I did! How else could I have "borrowed" the best cage from Frank Duck's store so easily?

Pop! Wait! Stop!

70. Drat! It's my goody-goody son and

that idiot Farmer Bear! How on Earth did they catch on?

71. Well, they're too late now! I'll just make a run for it!

72. >Whew!< Funny... >puff! pant!<... suddenly I...

73. ... I... feel... every... tired...

74. Hey! Are you all right?

75. Sure! I guess staying awake every

night finally caught up with your pop!

76. ZZZ!

77. Luckily the nightwatchman from Frank Duck's called and said that his assistant had disappeared with one of their cages! That's why we followed you!

78. Well, I think your father will learn a lesson from all this! I'm just afraid it goes — "Honest work doesn't pay!"

VỊT DONALD

Trạm xăng của bác Scrooge

Người dịch: NGỌC HUỆ

1. We're drowning in bills, Uncle Donald! What on earth did you spend all your money on this month?
2. Well, there was the automatic carpet beater, the electric feather duster, and a year's supply of popcorn... you know, just the usual necessities!
3. This is the supermarket bill collector!

Open up! We know you're in there!
4. KNOCK! KNOCK!
5. Face it, Uncle Donald! You gotta ask Uncle Scrooge for a loan...
6. Or it's bye-bye home sweet home!
7. And so —
8. Puh-lease, Uncle Scrooge! I'm flat broke! I've got to have a loan or we'll end

up in the poorhouse!
9. Certainly not!
10. Can't you even give your own nephew a chance for once, you old skinflint?!
11. Oh, all right... if it'll make you go away and stop bothering me!
12. You can lease one of my gas stations!

13. It was built along Highway 108 back in the Thirties!

14. Oh boy! I bet the business has really grown since then!

15. DONALD'S GAS 'N' GO

16. It has changed a little, yes! I'll lease it to you for \$500 a week! In fact, if you can make a profit out of the station, I'll give it to you!

17. Sounds fair! I'll sign!

18. Our troubles are over! Huey and

Louie, you'll take care of the diner! Dewey, you'll help me with the gas and the garage!

19. We can't wait to get started!

20. Look at all this traffic on Highway 108, boys! Every car's just filled with customers for our gas station!

21. Yeah, but where is our gas station?

22. Good point!

23. But didn't Unca Scrooge say his gas station was built in the Thirties? The new

Highway 108 wasn't even planned then!

24. Uh oh! Then the gas station must've been built along the old Highway 108! Yep! We went by the turnoff twenty miles ago!

25. Finally —

26. Gulp!

27. Don't say it, boys! Uncle Scrooge has done it to us again!

28. MCDUCK'S GAS

29. Hình như chỗ này đã bỏ hoang từ lâu rồi! Nhưng vì đã đến tận đây thì chúng ta phải thử xem sao!

30. Chà, sau một chặng đường lái xe chủ cảm thấy người dơ quá! Tắm sơ qua một cái chắc hẳn sẽ dễ chịu lắm!

31. Á! Ta có thể gần như cảm nhận được dòng nước mát tinh khiết chảy lên mặt lúc này!

32. Á! Khu! Cát!!?

33. Nhìn kia, chú Donald! Chẳng có gì ngoài cát chảy ra từ các vòi bơm xăng!

34. Chú chẳng ngạc nhiên! Nhưng... mà này! Có khách đến kia! Tốt hơn hết chú nên mặc đồ vào cái dĩa!

35. Làm sao bác Scrooge lại trông đợi chúng ta nặn ra được 500 đô-la một tuần từ chỗ này chứ...?

36. Khách của chúng ta đi đâu vậy cả?

37. Đến quán ăn, cháu nghĩ vậy!

38. Chào các cháu! Bán cho một ly cà-phê được không?

39. Được chứ!

29. This place looks like it's been deserted for years! But since we've come all this way, we have to give it a shot!

30. Boy, do I feel dusty after all that driving! A quick shower ought to hit the spot!

31. Ah! I can almost feel that cool

stream of pure water hitting me in the face right now!

32. Gag! Sputter! Sand!?

33. Look, Unca Donald! Nothing but sand's coming out of the gas pumps!

34. I'm not surprised! But... hey! Here comes a customer! I'd better get dressed!

35. How does Uncle Scrooge expect us to squeeze \$500 a week out of this place...?!

36. Where did our customer go?

37. Into the diner, I think!

38. Hi, boys! How about a cup of coffee?

39. Sure thing!

40. Nếu ông chịu uống khan một tí!

41. Cà phê ở đây chưa bao giờ ngon cả!

42. Xin chào! Tôi là chủ mới ở đây! Ông có biết ông chủ cũ lấy nước và xăng dầu ở đâu không?

43. À, có mưa thì mới có nước! Còn xăng dầu thì, tin vui là nhà máy chỉ cách đây vài dặm thôi!

44. Còn tin buồn là ông phải tự đi lấy xăng dầu bằng phương tiện... đó!

46.

Chẳng bao lâu...

47. Chúng ta gần lên tới đỉnh rồi, chủ Donald à! Đoạn đường còn lại toàn là xuống dốc thôi!

48. Dối ta đã xuống dốc kể từ khi bước vào văn phòng của bác Scrooge rồi!

51. Ủi chà! Chúng ta đã đi qua đỉnh rồi! Bây giờ thì chúng ta có thể vui thú trên đoạn đường còn lại!

52. Chủ không nghĩ như vậy... chủ vừa phát hiện thắng xe không còn hoạt động được nữa!

53. Ồ! Chúng ta đang lao thẳng vào nhà máy lọc dầu! Chúng ta tiêu đời rồi!

55. AAA!

56. Chao di! Ông có ghi kịp số đăng ký của chiếc máy bay phản lực đó không hả, Jack?

40. If you don't mind it a little dry, that is!

41. The coffee never was very good here!

42. Howdy! I'm the new manager! Do you happen to know where the old guy got his water and gas?

43. Well, the water comes with the rain! As for the gas, the good news is that the refinery is only a few miles away!

44. The bad news is that you get

yourself... in that!

45. McDUCK'S GAS

46. Soon —

47. We're almost to the top, Unca Donald! It's downhill the rest of the way!

48. It's been downhill ever since we stepped inside Uncle Scrooge's office!

49. GAS

50. McDUCK'S GAS

51. Whew! We're over the top! Now we

can enjoy the rest of the trip!

52. I don't think so... I just found out the brakes don't work!

53. McDUCK'S GAS

54. Yipe! We're heading straight for the refinery! We're done for!

55. YE-OWW!

56. Wow! Did you get the registration number on that jumbo jet, Jack?

57. REFINERY

58. Er... hi, guys! Fill'er up... and get me a tow truck, please!
 59. McDUCK'S GAS
 60. A few days later —
 61. Well, I can't exactly say business has been booming lately! What have we sold so far, Huey!
 62. Not a whole lot, Unca Donald! Dewey and Louie have sold two fried

eggs and a piece of toast!
 63. And the only gas we've sold was to a man who needed a refill for his lighter!
 64. That settles it! We have to close the place! Tomorrow we'll go back to Uncle Scrooge and admit defeat!
 65. Look, Unca Donald! It's started raining!
 66. Hurray! Now we can make coffee and have a shower!

67. All night, the rain pours down! It's the worst storm the area has seen in a century!
 68. McDUCK'S GAS
 69. The engineers who built the new Highway 108 never figured on so much rain at one time, and parts of the road wash away!
 70. !

71 Chúng ta sẽ phải điều khiển
lưu thông quay Xa lộ 108 cũ
thôi, Joe à!

74. Và sáng hôm sau...

75. Hả? Cái gì ồn ào vậy?

79
TIN! TIN!

84

BÍP

78. Lại đây! Nhanh lên! Chúng tôi cần cà-phê và
điểm tâm!

71 We'll have to reroute traffic over old Highway 108, Joe!

72. PROARR!

73. HIGHWAY PATROL

74. And the next morning...

75. Huh? What's all that racket?

76. HONK! HONK! BEEP!

77 KNOCK! HONK!

78. C' mon! Hurry it up! We want some coffee and breakfast!

79 HONK! HONK!

80. BEEP!

81. How about checking the oil while you're at it?

82. Certainly, sir!

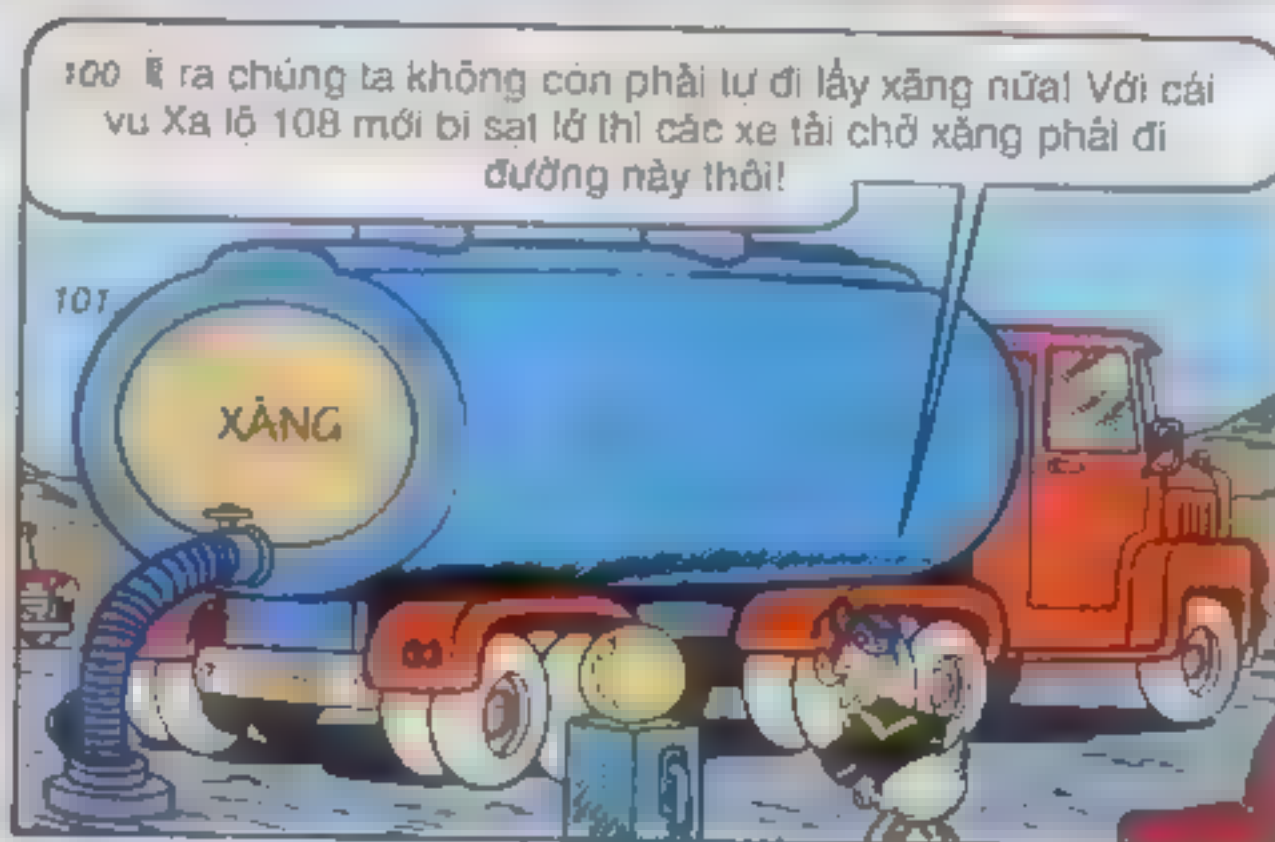

Fill'er up!

84. Yessir! Right away!

85. Gimme two doughnuts and a cup of coffee!

85. I want two fried eggs and some bacon!

87. *Coming right up!*

88. Hey, Unca Donald! Our coffee pot couldn't stand the pressure!

89. Take over for me, Huey! Dewey, help me build a fire under the water tank!

90. ?

91. Now we can brew our coffee hundreds of gallons at a time!

92. More trouble, Unca Donald! We just ran out of eggs!

93. COFFEE

94. Hey, mister! Would you sell me your

whole truckload?

95. Sure! Saves me a trip to town!

96. EGBERT'S EGGS

97. And —

98. Here's some of the bread you ordered, Mr. Duck! The other eleven truckloads are right behind me!

99. Great! Just unload it around back!

100. At least we don't have to pick up gas ourselves any more! With the new Highway 108 washed out, the gas trucks

have to come this way!

101. GAS

102. Meanwhile...

103. I can't wait to see how Donald's doing! Nobody could ever make a dime out of that hopeless dump..

104. Except me! Donald still has to pay me \$500 a week for his lease, heh heh!

105. Oh, hi, Uncle Scrooge! I should thank you for giving me a chance! This place is a goldmine!

106. Bác cố nhớ đã bảo cháu là tui cháu có thể giữ lại phần lợi không? Hà, đây là chỗ cháu cất số tiền rồi!

107. Trước giác kinh doanh không bao giờ sai lầm của ta rõ ràng đã lạc đầu đó, nhưng thỏa thuận là thỏa thuận! Bác sẽ ký giấy tờ cho tui bay cái trạm xăng này luôn!

108. Cảm ơn, bác Scrooge, nhưng cháu đang suy nghĩ! Bọn cháu đã kiếm được quá đủ tiền để thanh toán những hóa đơn nợ ở nhà rồi, mà toàn bộ công việc nặng nhọc này bắt đầu vất vả kiết sức cháu!

109. Và chắc bác cũng muốn lấy lại cái trạm xăng lợi nhuận cao này, vậy thì chúng cháu sẽ cho bác thuê với giá 5.000 đô-la một tuần!

110. Với công việc làm ăn như tui cháu đang làm, đó quả là một giá hời!

111. Xin lỗi, ông Vịt! Tôi chỉ muốn bảo ông hay nghe đồn đội sửa chữa vừa khai thông trở lại Xa lộ 108 mới đây!

112. Cảm ơn! Tôi đã chờ chuyện đó xảy ra bất cứ ngày nào!

113. Cháu biết bác Scrooge đã cố chơi khăm nhà mình, chú Donald à, nhưng cháu vẫn cảm thấy tội nghiệp ông! Khách hàng đi mất hết rồi!

114. Đừng lo, các cháu! Bác ấy sẽ xoay sở cách nào đó thôi!

115. Ôi! Cà-phê xem ra lại giống như trước nữa rồi!

116. Và nó sẽ cứ như vậy hoài đây, trừ phi... liệu có thể khiến ông làm cho một vũ điệu cầu mưa, được không hả?

106. Remember you told me we could keep the profit? Well, this is where we keep it!

107. My infallible business sense has obviously failed me somewhere, but deal is a deal! I'm signing the deed for this filling station over to you!

108. Thanks, Uncle Scrooge, but I've been thinking! We've made more than enough money to pay our bills back home, and all this hard work is starting

to wear us down!

109. And since you'd probably like to have this highly profitable gas station back, we'll lease it to you for \$5000 a week!

110. With the business you're doing, that's a bargain!

111. Excuse me, Mr. Duck! I just wanted to tell you that I heard the repair crews have reopened the new Highway 108!

112. Thanks! I was expecting that to happen any day now!

113. I know Uncle Scrooge tried to pull a dirty trick on us, Uncle Donald, but I still feel kinda sorry for him! All the customers have gone away!

114. Don't worry, kids! He'll manage somehow!

115. (Sight!) I see the coffee's back the way it used to be!

116. And it's going to stay that way, unless... I couldn't talk you into doing a little rain dance for me, could I?

1. Do you really believe that there is a sea monster living in Lake Ness? 2. I don't know! But Arthur doesn't any more! That's why we're here! 3. LAKE NESS 4. TRANSPORT

5. We're removing all his scientific equipment! He's searched for the monster for years but found no sign of it! So he's giving up! 6. The mayor has tried to persuade him not to publish his findings as the town depends on the legend of the monster for the tourist trade! 7. I can see that! 8. Frightening, isn't it?! 9. Yes! And so's the sea monster!

11. Thanks for coming, Mickey! All the equipment's at my observatory! I'll show you the way! 11. Arthur, please stay! 12. I'm sure the monster exists! 13. It might do! But I've tried everything I can think of to find it!

14. I bet I can show you one way of locating the monster you haven't tried yet! 15. Well, show me then! 16. Here, monster, monster! Come to Goofy!

17. Oh well! It was worth ■ try! And I'm not going ■ fall for that old "look out the monster's behind you" trick! What do you think I am?! An idiot?!

18. OK! I admit it! I'm an idiot! 19. ROARR! 20. ■ looks as if it's heading for the town! 21. We've got to warn them! I know a short cut!

22. And so, soon — 23. Quick! Everyone hide! The monster's coming!

24. I don't know about your finding's, Arthur, but that monster certainly looks real enough ■ me! 25. CRASH! 26. Whoops! How come it's always me that trips over and never the monsters?! 27. Oh no!

28. When I said come to Goofy, I was only joking! Go and fetch a stick or something! 29. ROAR! 30. I don't think it was going to hurt me, you know! ■ swerved away at the last moment! 31. Maybe it just saw how skinny you were and didn't think you'd make much of a meal!

32. It's strange! I always thought that the monster would be aquatic, not land based!

33. Maybe it's getting it's revenge! People have spent years trying to find it! Now it's trying to find them! 34. Look! It's heading straight for the statue of the mayor! 35. Maybe it's going to sit on his head like a pigeon!

36. That's strange! It's swerved away from the statue of the mayor! 37. That's not strange! It's sensible! It's looking for somewhere more comfortable to sit!

38. Mickey! Where are you going?! 39. I'm going to take a closer look at that monster! 40. Goofy! Where are you going?! 41. I'm going to make sure that the closer look he gets of the monster isn't of the inside of it's stomach!

42. Hey, Mickey, wait for me! 43. And me! 44. On no! It's turned round! It's coming this way! Lets get out of here! 45. Wait for me! 46. ROAR!

47. Oh no! If you're going to play chicken, play it with chickens! 48. It's alright, Goofy! He won't hurt me! Didn't you hear that screech?! 49. SCREECH!

50. So what?! He can screech as well as roar! Why do you think he won't hurt you?! 51. Because it would be bad for the tourist trade! 52. ROAR! 53. Roar? 54. It's the mayor!

55. I had to do it! This town's livelihood depends on the legend of the monster! I made this fake one just in case Arthur didn't find the real one! How did you find out?! 56. I first suspected when you swerved to avoid knocking over your own statue!

57. And I was sure when I noticed that your monster left wheel marks and not proper tracks! 58. They don't look like wheel marks me! 59. It must be a pretty funny shaped wheel if these are wheel tracks! 60. Well, whatever they are, they were made recently!

61. I hope this isn't another of your tricks! 62. It's not! I promise you! 63. You don't think they could be... 64. Yes, I do! In fact they are! Look over there!

65. So, there is a real Lake Ness monster!

66. Hooray! There is a monster! I knew there was! The town is saved! 67. Come on, Mickey and Goofy! Help me unload my equipment! I've got research to do!

68. And so — 69. Well, we may have lost the job but we certainly had a monster of a time! 70. Ha, ha! 71. ZOOM TRANSPORT 72. LAKE NESS

18. What's this? It looks like Mim's in trouble! 17. How'd you like me to turn you into snow, huh? 18. Help, Miranda! Do something! 19. But, but... I can never remember any magic spells without my magic book!

20. The only spell I can remember is the one that conjures up a hairdresser! It's real handy when we witches have our Tuesday night get-together! 21. Do it! Just do it! 22. What's this stupid hairdresser doing here? 23. ZAP!

24. ? 25. Well, I suppose he'd be more fun to beat up on than some old lady! 26. Good! He came with a hair dryer! Just what I need! 27. How about a little hot air, icicle-breath? 28. Hey! That's too hot! 29. CLICK!

30. That served him right! 31. Yeah, but soon I'll be bored and lonely again, unless... 32. ... and then I said... bla bla... I like your dress... bla bla... Have you heard the latest? People all over town are talking about it... bla bla... and what's more... bla bla...
